- 8.7. The Operator undertakes to replace the Device provided to the Subscriber with a new one as soon as possible, if it has been recognized by the Operator as having a manufacturing defect.
 - 8.8. The Equipment necessary to use the Mobile Communication Services is obtained by you at your own expense and discretion, and you are responsible for its installation, adjustments and proper operation.
 - 8.9. In case of some Services, the Operator may offer Equipment on special terms, including the obligation to remain a Subscriber of the Operator for a certain period of time or any other obligation set by the Operator. The operator may also offer equipment with the right of use or on other grounds.
 - 8.10. If the Equipment does not belong to you on the basis of the property right, you have no right to concede, sell, lease or otherwise transfer it to any other person or make any changes to it, as well as in the event of damage, loss or theft of the Equipment, you are obliged to pay its cost to the Operator in compliance with the set order and within the prescribed period.
 - 8.11. The Operator is the sole owner of the SIM Card provided to you, except for the information you own on it.
 - 8.12. From the moment the SIM card is handed to you, you run the risk of damage, natural wear, loss, theft, or unauthorized use.
 - 8.13. Based on the Subscriber's application, the Operator is obliged (in the shortest possible term) to replace free of charge the SIM Card, which was recognized as a manufacturing defect. In other cases, the Operator may charge you an additional fee for SIM card and / or its replacement.
 - 8.14. You have no right to concede, sell, lease or otherwise transfer to a third party, damage or destroy the SIM Card.

- 8.15. Any attempt to duplicate the identification data registered on the SIM Card is prohibited, and You are responsible for it in accordance with the RA Legislation.
- 8.16. The Operator is entitled from the moment of termination of the Agreement on your own initiative, and within other terms defined by the RA legislation in case of termination of the agreement on other grounds, to provide the mobile and fixed telephone numbers provided to the Subscriber to another person.
- 8.17. Due to technical or other needs, the Operator has the right to change the Number or SIM Card provided to you by notifying you in advance.
- 8.18. In the event of a SIM Card or Hardware loss or theft, you must notify the Operator immediately for termination of your Services.

9. Tariffs, collections

- 9.1. The Operator determines independently and is entitled to unilaterally change the Tariffs of the Services in compliance with point 18.7 of these Terms, and in case of some regulated tariffs they are set and / or agreed in advance with the RA Public Services Regulatory Commission.
- 9.2. The Operator is entitled to charge you payments (penalties) for limited or suspended Service restoration, SIM Card reactivation or dismantled cables and re-installation of the Device.
- 9.3. Amounts charged for Services provided and the volumes of Services rendered are calculated based on data provided by the Operator Billing System or other Operators and Service providers (for example, when providing Services in Roaming).
- 9.4. If there is a dispute over the volume of Services provided, the calculations shall be based on the data provided by the Operator, and in case of some Services – on the data submitted by other operators and service providers registered and presented in the settlement systems.
- 9.5. Charging for telephone services is made in the amount of monthly fee / daily fee (proportionally in case of incomplete month) in accordance with the Tariff Plan or Offer description and/ or based on the phone call duration, on the number of requests made, activated and /or used Services, the amount of processed and / or stored information and / or the volume according to the tariff / tariff unit, as well as according to the RA legislation and/ or other criteria defined by the Operator.
- 9.6. The call duration is calculated starting from the caller's response signal till the caller or calling party disconnects /receiving of disconnection signal/ or disconnects you or the caller's equipment, unless otherwise specified by the Operator for certain Services.
- 9.7. The call is considered answered and the calculation of the call duration and the corresponding charges are made also in the following equipment response / signal cases:
 - 9.7.1. Data transfer equipment (for example, modem, facsimile device and other equipment operating in automatic mode of receiving information), or other equipment of the Subscriber, which provides or simulates the possibility of data transfer in the absence of the called person;
 - 9.7.2. Subscriber equipment, auto-answering machine, voice mail.
- 9.8. In case of Internet access service, the charge is made in accordance with the Tariff Plan or the Description of the Offer you have chosen (monthly fee, daily fee and / or according to the used volume (MB), or other procedure defined by the Subscription Agreement.
- 9.9. Taking into account the technical peculiarities of the Network operation, the Operator has the right to set the maximum duration of one uninterrupted or activated, but not used communication session of the telephone call, video call, internet session, etc.
- 9.10. If you use such a Service (roaming service, international outgoing services, etc.) for which the calculated fee is not visible at the moment (due to technical or other features) in the Billing System of the Operator, then the bill for that Service is presented to you in the Billing System from the moment it becomes visible (calculated), which you are obliged to pay immediately (even if the Subscription Agreement has already been terminated).

9.11. In the event of loss of the Device provided under the Subscription Agreement, theft, damage or for any other reason (not as a result of the Operator's actions), a new Device may be provided after the Subscriber reimburses the Operator for the Device, but no later than during 10 (ten) days after the Operator submits such request to you.

9.12. The Operator is entitled to:

9.12.1. claim payment for adjusting malfunctions and defects (including modified cables, equipment) that interfere with the proper provision of the Services, if they were caused by the Subscriber's actions and/ or inactivity;

9.12.2. charge the Subscriber for additional (extra) services provision,

9.12.3. Require a connection fee from the Subscriber for the installation of cables in the Subscriber's Area to connect to the Operator's Network (for example, the number of cables (materials) used by the Operator's specialists and the amount of work performed exceeds the norms set by the Operator), if agreed in advance with the Subscriber.

9.13. The Operator may establish and publish another procedure and conditions for calculating the cost and charge of the provided Services.

10. Payment procedure and payments

10.1. Payments for services as a rule are set (unless otherwise specified by the Operator) and are calculated on a monthly basis.

10.2. A system with prepaid or postpaid and / or (postpaid) monthly subscription fee is defined for the Service (according to the type of subscription).

10.3. In case of partial or complete delay in payment for the Service, non-performance or other unfulfilled financial obligations to the Operator, the Operator has the right to reduce / charge the amount owed from the Subscriber's pledged funds or bank guarantee and/or prepayment amount and/or confiscate the pledged item, if such are available.

10.4. The amount of the subscription fee can be a fixed approved amount or depend on the number of Services, activated lines or numbers under the Subscriber Account.

10.5. According to the Offer description and Tariff Plan, the subscription fee can be reduced or not reduced for the used Services.

10.6. The subscription fee (monthly fee) is subject to calculation and collection from the moment of Service activation until the complete suspension of the Service, unless otherwise specified by the Operator.

10.7. In case of termination of the postpaid system contract, if the subscriber's preferred package / TP had inclusions, then the inclusions are calculated according to the days used. In case the subscriber spends more inclusions than the used days are, then for those used inclusions a recalculation will be made at the end of the month and the charge will be made in accordance with the subscriber's TP tariffs.

10.8. You are obliged to pay the subscription fee also in case you have not used the Service for any reason (if you have not terminated the Subscription Agreement).

10.9. According to the Service Offer and Tariff Plan the Billing Day can be the last day of each month.

10.10. The Operator may, at its own discretion, set an amount limit for using the Services (maximum negative Balance, within which you can use the Services) and other restrictions on the use.

10.11. The amount limit, according to the selected Tariff Plan, the list of Services and volume, is set and is changed at the discretion of the Operator, taking into account your payment history, your credit history, solvency, your activities and turnover, reliability and other similar circumstances.

10.12. If you reach the amount limit during the month, You can continue to use the Services of the Operator in case you pay the existing debt in full, as well as in case of making additional payment.

10.13. During the failures of Billing System and implementation of Retention activities the Charges for the Services used by the Subscribers, including while roaming, are not registered by the Billing System in real mode and monthly and postpaid system Subscribers can exceed their amount limit, and prepaid

system Suscribers can consume more than their actual Balance. In such cases, when checking the Account, the Subscribers will not be able to see the latest Balance updates, which is not a basis for not paying the amount calculated for the used Services.

10.14. Prepaid system

10.14.1. You have the right to use the Services within your Balance and the time limit set by the Operator. The charges for the Services provided are deducted directly from your Balance.

10.15. System with monthly subscription

10.15.1. In the case of monthly subscription system, a monthly subscription fee (monthly fee) is set, which must be paid by the Subscriber each month, regardless of whether the Subscriber has used the Service(s) or not during that month.

10.15.2. In case of monthly subscription system, an advance payment may be foreseen to be made during the subscription to the Services, which can be reduced as an amount payable for the next month or not.

10.15.3. If you already have at least 1 (one) month overdue debt, in order to reactivate the Service provided to you and to use the Services, you will need to fully pay it and the monthly fee for the current month (if it is set), unless otherwise specified by the Operator.

10.15.4. In case of activating Paid Services, the charge is made together with the monthly fee, according to the same rules or from the prepayment made by you, unless otherwise specified by the Operator.

10.15.5. In case of monthly subscription system, the payment is made monthly during the period calculated starting from the Billing Day or on the day specified in your Subscription Agreement or in the account submitted to you. Moreover, the monthly payment of the current month and the negative Balance of the previous month is paid every month, if any available.

10.16. Monthly postpaid system and postpaid subscription system

10.16.1. In case of monthly postpaid and postpaid subscription system, you make the payment during the month following the billing period after receiving the Services, according to the order specified in the Offer and/or Tariff Plan as per the quantity of Services used.

10.16.2. In case of monthly postpaid and postpaid subscription system You are obliged to make the payments within the terms specified in your Subscription Agreement or the account submitted to you. Herewith, each month the monthly payment of the previous month, if it is foreseen, and the negative Balance of the previous month is paid.

10.16.3. The Corporate Subscribers are liable to the Operator for their employees if those employees use the Services under the Subscriber's Corporate Tariff Plan / Package, unless otherwise specified by the Operator.

10.17. In case you reach the amount limit set by the Operator, the Operator has the right to limit or suspend the provision of the Services and / or submit an extraordinary invoice for the Services actually provided, which must be paid within the period mentioned in the account.

10.18. Depending on the Offer and the type of Service, you can make the payment in cash, by recharge card, bank transfer, terminals, bank payment cards, online, via mobile applications and / or other means acceptable by the Operator.

10.19. If several Subscription Agreements have been concluded between you and the Operator or several accounts or numbers have been provided under the same Subscription Agreement, the Operator has the right to cash or receive the funds received for a Subscription Agreement, Account or Number without informing you / the Subscriber in advance, to repay the debt incurred under another Subscription Agreement, Account or Number, during which the amount remaining after the full repayment of the debts is retained in the Subscriber's Account.

10.20. In case of postpaid system services, your monthly bill is prepared and submitted within 10 (ten) days starting from the Billing Day, unless otherwise specified by the Operator.

- 10.21. At your choice the invoice can be sent by e-mail or by mail-order service on the basis of the application. The operator has the right to charge you for postage, as well as for providing a copy of your account.
- 10.22. The account formed and submitted according to the data registered in the billing systems by the operator (account statement) is considered as a proof of the Services provided and their volume.
- 10.23. In any case, you are obliged to personally verify your monthly debt and you are responsible for paying it on time, regardless of the method of payment, the fact of receiving the bill or any objection to the submitted account, in this case paying the non-disputed part. Not receiving an account or receiving it with delay can not be a reason for non-payment.
- 10.24. You can dispute or object to the account submitted to you by the Operator before the payment deadline set for the given account, otherwise the debt (calculated) in the submitted account (calculated payment) is considered unconditionally accepted by you.
- 10.25. Non-payment of the bill is not considered an objection to it.
- 10.26. Your objections to the account can be submitted in writing or by email or by calling the Customer Care Center.
- 10.27. For the Services provided through fixed and mobile networks the Subscriber must make the payment no later than the payment period mentioned in the submitted account, unless otherwise specified in the Tariff Plan / Package description or by the Operator.
- 10.28. The payment is considered made from the moment of entering the payment in the Operator Billing System.
- 10.29. In case of non-payment within the established period, the Operator has the right to calculate a penalty for each day of delay in the amount of 0.1 of the amount to be paid, within the frames defined by RA legislation, unless otherwise specified by the Operator.
- 10.29. When making a payment, you must mention the exact phone number, and/ or Account number and / or contract number (BAN) for which the payment is made.
- 10.30. Any person making a payment on behalf of the Subscriber shall be deemed to be duly authorized by the Subscriber to make payments on behalf of the latter.
- 10.31. You hereby unconditionally give your consent to corrections in incorrect payments by the Operator, including transferring an incorrect payment from your Account to the correct recipient.
- 10.32. Any payment you make to the wrong Account is subject to correction by the Operator within reasonable possibilities and the Operator is not liable for any damages incurred by you.
- 10.33. Incorrectly transferred amount will be refunded to you in case the person to whom the amount was transferred by mistake has not used it or there is a corresponding amount on his / her Balance.
- 10.34. In case of payment from abroad (also incorrectly transferred amount) to the Subscriber's account of the monthly and postpaid subscription systems, in case of termination of the Subscription Agreement or in other cases, the Operator has the right not to return the amount to the Subscriber or the person transferring it if the Operator will find in it actions prohibited by law.
- 10.35. You hereby agree that due to your incorrect payment of the Operator's bills, in the event of such delayed payment by the Operator for the collection of such payments by the Operator, the Operator has the right at its own discretion to simultaneously charge you a fine according to the formula below, which you are obliged to pay at Operator's first request:

$$S = \text{Uf} \times \text{Sp} + \text{Uf} \times \text{Sp} \times \text{Fn}$$

Where:

S – is the interest rate of the fine calculated in accordance with this point

Uf – is the main (principal) amount of your debt

Sp – is the base interest rate of the fine provided for in this clause, which is 21%

Fn – is the correction factor, which is the ratio of the sum (divisible) of all other penalties and fines accrued to you, except for the one provided by this clause, to the dividing amount of your debt main (principal) amount.

10.36. You hereby acknowledge and agree that the Operator reserves the right to cancel your Balance Sheet in the manner prescribed without prior notice to you, in the event that it you do not consume it within the term set by you.

11. Suspension, limitation

- 11.1. The Operator has the right to limit or suspend the Service (s) provided to you by notifying you in advance (except for items 11.1.1 and 11.1.2) if:
 - 11.1.1. You use non-certified equipment,
 - 11.1.2. You have connected equipment to the public electronic communications network that is incompatible with or interferes with the operation of the public electronic communications network or the ability of others to access public electronic communications services;
 - 11.1.3. You have used the Services improperly or illegally
 - 11.1.4. You have committed breach of any item of the Subscription Agreement,
 - 11.1.5. You have not made in time or complete payment for the Services provided or Account Recharge, including applicable penalties, fines and other amounts specified in the Subscription Agreement;
 - 11.1.6. When subscribing to the Services, you have provided incorrect or incomplete information or documents, or otherwise the subscription conditions have not been met,
 - 11.1.7. Traffic of suspicious nature has been detected by the Operator (facts of virus programs or attempts to spread spam or reasonable suspicions about it, etc.),
 - 11.1.8. For implementation of network maintenance, repair and / or re-equipment activities,
 - 11.1.9. If the provision of the Services violates (may violate) the rights of third parties.
- 11.2. In case of not activating the mobile prepaid system number provided to the subscriber within three months, as well as in case of not using it for receiving / sending outgoing or incoming (voice or non-voice) services for more than three months.
- 11.3. During the limitation or suspension of the Service, the Operator has the right to:
 - 11.3.1. Deactivate the Service fully or partially (for example, incoming and outgoing calls),
 - 11.3.2. Dismantle the cables and Equipment
- 11.4. In special cases, the procedure and terms of suspension or limitation may be conditioned by the Offer Description and Tariff Plan.
- 11.5. Upon revocation of the grounds for suspension or restriction or expiration of the term, reactivation is executed without prior notice to you.
- 11.6. In case of suspension or limitation, reactivation may be executed in case all debts, penalties, fines and other amounts specified in the Subscription Agreement, as well as all costs incurred by the Operator in connection with the collection of those payments are reimbursed by you, unless otherwise specified by the Operator.
- 11.7. The service limitation does not release you from the obligation to pay the monthly subscription fee and other debts accumulated for additional services provided.
- 11.8. The obligations that you have not fulfilled during the whole period of suspension or limitation are subject to fulfillment by you in accordance with the procedure and within the terms defined by the Subscription Agreement.
- 11.9. If you are a user of more than one Account or Service, and if you owe the Operator concerning any of your Accounts or Services, the Operator reserves the right to suspend or limit all Services (Numbers) provided to you until the debt is paid off in full.
- 11.10. In case of suspension and / or limitation, for some Services that you do not wish to suspend, including the maintenance of high-speed Internet access provided to you, the Operator may charge payments according to the Offer Description and Tariff Plan.

- 11.11. For security reasons, the Operator has the right to limit or suspend the provision of the Service by notifying you in advance, or to request that you temporarily stop using the Service, otherwise failure to do so may result in liability for you.
- 11.12. You have the right to suspend the Services provided by the Fixed Network for a period of one month up to one year, notifying in writing at least ten days in advance of such suspension, and to fulfill all your other obligations under the Agreement in connection with the suspension of the Services.
- 11.13. If you want to temporarily suspend the Services provided to you for more than two months, after submitting the relevant application, you are obliged to repay the existing debt in full and / or return the Device to the Operator and pay the fee set by the Operator.
- 11.14. If you have signed a Subscription Agreement (Agreement) with the obligation to remain a Subscriber of the Operator for a certain period of time, in case of suspension of the Service at your discretion, the period of suspension is not included in the calculation of the above term and your subscription obligation is extended in accordance with the suspension period.
- 11.15. In case of suspension / limitation of Services, the Positive Balance on your Account, bonuses, automatically generated offers and other benefits can be canceled according to the Service offer and Tariff Plan / Package.

12. Responsibility

- 12.1. The Subscriber guarantees that he / she has the appropriate authority to allow the installation of cables and Devices necessary for the provision of Services in the Area. The Subscriber shall, within ten days, compensate the Operator for all the damage suffered by the Operator in accordance with all the claims submitted by third parties in connection with the provisions of this paragraph.
- 12.2. The Subscriber acknowledges that the Operator has the right to unilaterally terminate the Subscription Agreement (on the provision of Services in the Area with a Fixed Network) in case of a reasonable demand (s) submitted to the Operator by the third parties in relation to the mentioned in point 12.1 of these Terms. Moreover, in the event of termination of the Subscription Agreement (s) with the obligation to remain a subscriber for a specified period of time, the Subscriber bears the risk of a corresponding obligation.
- 12.3. To the extent permitted by law, the Operator and you hereby waive claims for compensation for direct damages and lost benefits in connection with the Services provided under the Subscription Agreement.
- 12.4. The amount of the Operator's liability is calculated from the monthly amount calculated for that month proportionally to the period of inability to use the services and can not exceed it.

12.5. The operator is not responsible for:

- 12.5.1. For non-provision or improper provision of services, if it is a consequence of Maintenance activities and / or circumstances and factors and/or other similar events defined in point 6.13 of these Terms and Conditions,
- 12.5.2. For damage caused to you by the equipment or SIM card purchased from the operator, as well as for damage to equipment or SIM card caused by you and other persons,
- 12.5.3. if you use the Services improperly or illegally,
- 12.5.4. for the quality of the Services provided to the Subscriber by other operators, services provided by third parties, or through the Operator's Network or other technical means; does not provide any guarantee in this regard, including the accounts submitted in connection therewith. If necessary, in order to make such services available to the Subscriber in relations with third parties, the Operator may act as the Subscriber's agent, acting on his behalf and on the Subscriber's account;
- 12.5.5. for signals transmitted through its partners (including foreign) or agents, or interruptions, disconnections, malfunctions or changes in certain Services due to the interruption or termination of the provision of Services;

- 12.5.6. for charging an additional commission in accordance with the rules established by the bank, the intermediary organization accepting the payments.
- 12.6. The Subscriber/You/ is responsible:**
- 12.6.1. For damage to the Operator or third parties or their property in case of using the Services in violation of these Terms
- 12.6.2. In case of storage of the device, its belongings, cables and other accessories and in case of their damage, misuse, loss, damage or theft you are obliged to compensate for them in the manner prescribed by the Operator.
- 12.6.3. For all transactions (electronic payments, purchases, etc.), participation in electronic games, other gambling, through access to the Services provided by the Operator, for their consequences and you bear all the risks,
- 12.6.4. Any information sent by you to the means of communication provided to the Operator, including your personal data to be made known to persons having access to the same means of communication, and its consequences;
- 12.6.5. In the Area where the Services are to be provided, for the installation of cables, for obtaining the necessary permits for the installation of the Equipment, as well as for the damage caused to a third party as a result,
- 12.6.6. After signing the Subscription Agreement to get acquainted with the changes of Terms, Subscription Agreement, Network Coverage / Access Area, List of Services, prices and Rules / Procedures,
- 12.6.7. For the payment of all debts incurred in respect of the Services used in the cases referred to in clause 10.11. and 11.1.5 of the Terms, including the payment of the debt incurred as a result of exceeding the cash limit or the actual Balance Sheet.
- 12.7. Before informing the Operator about any problem, you must check your equipment to make sure that the reason is not your equipment and the problem is out of your control.
- 12.8. If the cause of the problem is the Operator Network or it is under the control of the Operator, you must immediately notify the Operator so that the latter can take appropriate measures. In case of late notification to the Operator, the Operator is not responsible for the period prior to notification.
- 12.9. You are deprived of the right to make any claim regarding the Service or its quality, if you do not inform the Operator about the problems in short terms, as a result of which the technical opportunity to confirm the fact of the Service quality problems or to clarify the reasons is missed.
- 12.10. You are responsible for any use of the Services by third parties through your Device, SIM Card, Number or equipment and you bear the negative consequences of such use, including the obligation to repay debts. In case of using the equipment provided by the Operator, the SIM Card by an authorized person, you will be considered the owner of them, and the performed actions will be considered performed on your behalf and for your benefit, and you are responsible for paying off any debts arising from such use, as long as you do not notify the Operator of the loss or theft of your SIM card, device or equipment and suspension of Services at your request, which is satisfied by the Operator within 24 hours. The operator has the right to take all necessary steps to verify your identity before fulfilling your request, but is not responsible for fulfilling similar requests made by an unauthorized person.
- 12.11. In case of violation of the obligations set forth in clause 8.5 of the Terms, after the Operator receives a written notice of refraining from such actions, if you repeat any of these actions or continue the violation, the Operator at its own discretion has the right to limit the Service Speed or Traffic or to suspend the Service or to unilaterally terminate the Subscription Agreement, as well as demand compensation for losses caused to the Operator by your actions.
- 12.12. The Parties shall not be liable for non-fulfillment in whole or in part of their obligations under these Terms and Conditions due to the effect of force majeure. You hereby agree that your financial position cannot be considered as force majeure, and you are obliged to pay in full for the Operator Services.

- 12.13. In cases when the visit of the relevant specialist of the Operator in the Area is necessary in order to provide the Services properly (to find out the reasons for the breakdowns and to manage them), if you do not create such an opportunity, you are deprived of any right to make any claim to the Operator concerning the service provision or its quality.
- 12.14. You hereby accept and agree that if you (and / or a third party acting with your knowledge or instruction) without prior consent of the Operator, the Number provided to you by the Subscription Agreement (regardless of the type of Number and the fact of paying the Operator to use it) and / or if you distribute announcements, advertisements, public offer announcements (by any means) to transfer (alienate) your right to use it to another person, it will be considered as a violation of your Subscription Agreement, and in that case the Operator may (informing you about it):
 - 12.14.1. deactivate and/ or withdraw the relevant Number (s) provided to you, and / or,
 - 12.14.2. terminate the Subscription Agreement on providing you with the mentioned Number (s), and / or,
 - 12.14.3. apply other measures of responsibility provided by the Subscription Agreement.
- 12.15. The Subscriber hereby accepts and agrees that the Operator has no right to demand from the Operator any compensation in the event of disclosure of these Terms, the Policy for the processing of personal data or Information (Personal Data) about the Subscriber in accordance with the legislation of the Republic of Armenia.

13. Termination

- 13.1. The Operator has the right to unilaterally terminate the Subscription Agreement, informing you in advance:
 - 13.1.1. In case of non-payment of the fees for the Service within the period stipulated by the Subscription Agreement,
 - 13.1.2. You have violated the Subscription Agreement clauses and / or the Law,
 - 13.1.3. In case of non-payment of the fees for the Service within the terms stipulated by the Subscription Agreement,
 - 13.1.4. In case of non-reactivation of the Services in line with the procedure and within the set period after the suspension of the Services (absence of sufficient monetary means to ensure a positive Balance on your Account within the period defined by the Subscription Agreement or Tariff Plan or failure to perform the necessary actions within the period defined by the Tariff Plan, etc.),
 - 13.1.5. In case of non-activation of the number attached to the SIM Card of the mobile prepaid communication system within three months from the moment of signing the Subscription Agreement,
 - 13.1.6. If the actual user of the Number has applied to the Operator (telephone service) and in accordance with the Procedure has provided reliable information that the Number (SIM Card) is used and owned by him/her (actually belongs to him/her)
 - 13.1.7. If a person who has the right to own / use the service area provided by the Fixed Network has applied to the Operator and submitted reliable data about that.
 - 13.1.8. The Subscription Agreement is terminated in case of termination of the Operator's licenses and / or permits,
 - 13.1.9. In other cases defined by the RA Legislation and Subscription Agreement.
- 13.2. You have the right to unilaterally refuse to fulfill the Subscription Agreement by notifying the Operator in writing, repaying all your debts to the Operator, including the final settlement, as well as returning to the Operator the Device received from the Operator (unless otherwise provided in writing between you and the Operator).

Failure to return the device will increase the penalty / fine to the full value of the device.
- 13.3. As a result of these actions a final account is formed.

- 13.4. In the event that the Number is transferred from the Operator's network to another network, your Subscription Agreement with the Operator shall be deemed terminated from the moment the Number is transferred (concerning the transferred Number).
- 13.5. Transferring the Number from the Operator Network to other Network does not release you from the obligation to pay the debt owed to the Operator for the Services used with that Number.
- 13.6. If the number is transferred from the Operator's network to another network, the positive balance of your account number will not be transferred to your account in the Host Operator's network. Available bonuses, automatically generated offers and other privileges are zeroed. In case of re-transferring (returning) your Number to the Operator Network, you can subscribe to the Operator Services for new subscribers on the general grounds set forth in these Terms.
- 13.7. Termination of the Subscription Agreement, regardless of its grounds, does not release you from the proper fulfillment of your obligations to the Operator until the moment of termination, i.e. your debt, all applicable penalties, fines, resignation or other payments stipulated by the Subscription Agreement.
- 13.8. In cases when the Subscriber does not allow the Operator specialists to install, configure the Device, connect it to the Operator's Network within the period defined after the signing of the Subscription Agreement for the provision of Services through the Fixed Network, the Subscription Agreement shall be considered terminated concerning the corresponding Service.
- 13.9. In case the Subscriber does not want to receive any Service specified in the Subscription Agreement, but refuses to sign the relevant application (agreement) and continues to use the other Service(s) he/she has been subscribed for, the Subscription Agreement is considered amended in connection with the unreleased Service(s) (if the Operator is not against such a change and /or that change does not cause any undesirable consequences for the Operator). The Subscriber is fully responsible for all the negative consequences arising from not fixing this change documentally in the Subscription Agreement.
- 13.10. In order to terminate the Subscription Agreement, you must visit the Operator's Sales and Service Center and fill in the application form approved by the Operator, unless otherwise specified by the Operator.
- 13.11.
